Third Coast Capital Advisors Represents Quirch Foods in its Acquisition of Scariano Wholesale Foods

Third Coast Capital Advisors served as exclusive financial advisor to Quirch Foods, a portfolio company of Palladium Equity Partners, in its acquisition of Scariano Wholesale Foods. Our Acquisition Search services included identifying the target and making contact with its owner, as well as assisting with evaluation of a transaction. This transaction represents our second sourced acquisition for Quirch Foods and is a good example of our ability to identify and execute proprietary, strategic add-on acquisitions for private equity portfolio companies.
