### **Marc Pressler Joins Third Coast as a Managing Director**

Third Coast is pleased to announce the addition of Marc Pressler to the firm as a Managing Director. Mr. Pressler will have responsibility for transaction origination and all phases of transaction execution. Prior to Third Coast Capital Advisors, Mr. Pressler was a Managing Director at Monroe Credit Advisors responsible for raising debt capital and providing finance advisory services to private equity firms and corporate clients. Prior to Monroe, Mr. Pressler served in senior management positions in the corporate banking groups at Associated Bank in Milwaukee and at BMO Harris Bank in Chicago. He held previous roles at Madison Capital Funding, GE Capital, Heller Financial and LaSalle Bank providing financing solutions to private equity groups for leveraged buyouts and add-on acquisitions. Mr. Pressler earned his M.B.A. from DePaul University and his B.S. in Finance from the University of Illinois at Urbana Champaign.

#### ***About Third Coast Capital Advisors***

Since 2008, Third Coast Capital Advisors has provided buy-side services to private equity firms and corporate clients. We have a senior model where all engagements are executed in their entirety by experienced, senior level investment bankers. This allows us to forge a strong connection with target company ownership which leads to directly negotiated, non-competitive transactions.
